

SPONSORSHIP PROSPECTUS 2019

Would you like to champion an **emerging generation** of songwriters **committed to carrying** God's **life transforming word** into their churches and communities **through song** AND promote your business?

WHO WE ARE

The Word Songwriting Showcases are a series of concerts that provide a platform from which Christian songwriters can use their talents to build up the body of Christ by sharing God's word through song. These concerts raise funds to support the mission of the Bible Society and provide unique opportunities for local songwriters to share their songs across regions and denominations.

Since our first showcase in 2015 we've grown rapidly and are excited to be staging three showcases this year in Hobart, Launceston and Devonport.

The Showcases feature songs in a variety of musical genres, celebrating the diversity of creative gifts and ensuring our concerts appeal to audience members of all ages.

Your partnership as a **Corporate Sponsor** will enable the reach and impact of locally written, scripture-inspired songs to continue to grow, invading and transforming our communities for the glory of God.
